

abundant life church WEDDINGS

Welcome

Abundant Life Church believes marriage is a sacred covenant with and before God and is entered into as a lifelong commitment. We are honored to host weddings and receptions at our facilities for those that call Abundant Life their church home, and their immediate families. We recognize that many hours of planning will be necessary before this important event takes place. Please review our wedding guidelines to assist you in your wedding plans.

Prerequisites

Premarital Mentoring is required for anyone being married at any of our campuses and/or by one of our Pastors.

All of the Pastors at Abundant Life Church have agreed to comply with biblical requirements for marriage and have signed a covenant with other Clackamas County church pastors to marry couples only after they have completed pre-marriage mentoring.

Abundant Life Church is committed to helping couples build strong marriages and families in our church and community. We believe this begins before a couple is united in marriage and continues throughout the stages of a marriage relationship.

Our pre-marriage mentoring program consists of six sessions with a trained mentor couple from the Abundant Life family. Mentors will go over such topics as family background, communication, problem solving, and priorities. Marriage Mentoring is relational and designed to equip engaged couples with tools to ensure a happy and healthy marriage.

The process starts with a meeting with Pastoral Care to understand and sign the Marriage Covenant. Our Pastoral Care Team can be reached at 503.658.8271 ext. 257. The pre-marital online inventory assessment is explained and set up at that time. We partner with a company called Prepare/Enrich. There is a one-time processing fee of \$35 for the inventory, but the mentoring sessions are free. We require a 4 month window of time to complete the mentoring process. You can view the Marriage Covenant at alcpdx.com/marriage.

Officiating Pastor

It is your responsibility to contact the Pastor you would like to officiate your wedding. Non-ALC Pastors must be authorized to perform weddings in Oregon and Washington and will need to be approved by an ALC Pastor. Please provide the name and phone number of the guest Pastor when you schedule the facility.

Scheduling

All scheduling for weddings being held at any of our three ALC campuses are made by contacting our Events Team at 503.658.8271 ext. 235 or buildinguse@alcpdx.com.

Weddings may be scheduled up to six months prior to your wedding date. Requests to schedule more than six months out will be considered pending and confirmed on the church calendar six months prior to the wedding date, if the space is available.

Because of the pre-marital counseling prerequisite, requests to schedule weddings less than four months out will be handled on a case-by-case basis.

A refundable security/cleaning deposit of \$250 is required to confirm your reservation. This deposit is not applied to your final bill, this is a separate payment. **Please note: You are responsible for cleaning up after your wedding! Please make sure that any supplies you brought, you take out with you, and any supplies you used you leave cleaned and put away. If anything is left a mess or broken, your deposit will not be refunded!

Events Team

After you have secured an officiating Pastor and a date for your wedding and signed up for Premarital Mentoring, you will want to meet with our Events Team to talk through your building use needs and determine the costs involved with using our facility. Someone from our Events Team will be present as a Building Hostess to assist you with your building use needs when you set up your decorations and during your dress rehearsal, ceremony, and reception.

Wedding Coordinator

We require that you select someone to act as your wedding coordinator. It can be someone close to you that is not in the wedding party or a professional. Your

wedding coordinator will need to be aware of all of the details of your ceremony and reception so when your wedding day comes they can take care of the details behind the scenes for you. If at all possible, we ask that your wedding coordinator be present at all meetings between you and our ALC Events Team. The ALC Building Hostess does not act as a wedding coordinator. It is up to your wedding coordinator to execute the rehearsal, wedding and reception. ALC Building Hostesses are here to act as a liaison between the ALC Facilities Team and the wedding party.

Audio/Visual Support

Abundant Life requires that you use our A/V Tech to run any sound, light, and video (if needed) for your wedding. We can help put you in contact with our ALC A/V Tech who is familiar with our procedures and equipment. It is your responsibility to arrange all sound/light/video needs through them. If used, you will pay them directly as an independent contractor. **Outside A/V Techs are allowed in particular rooms and particular campuses on a case by case situation. If you use an A/V Tech(s) not affiliated with ALC, a meeting with our A/V Director is required at least one week prior to your rehearsal in order to familiarize your A/V Tech(s) with our procedures and equipment.** Our A/V Director can be reached at 503.658.8271 ext. 268.

NOTE: Because of the varied number of DVD burning software and formats on the marketplace, it necessitates that any DVD that will be shown be tested on our equipment at least 24 hours prior to the event. When producing material to be shown at ALC, ask this question: Can this DVD be played on a regular, set-top DVD Player?

PowerPoint is a wonderful presentation tool, but it has inherent issues that are often overlooked. Remember the following when packaging your presentation to be brought to ALC. 1. Did you include any special fonts? 2. If you embedded video or audio files, did you bring the source material? 3. ALC Screens are formatted to 16X9. If possible, create your presentation in this format to maximize the look on the screens. 4. How/Who will advance the slides during the presentation? Please arrange to bring and test your presentation to ALC at least 24 hours prior to the event.

Ceremony & Reception

We have three campuses to choose from:

- **Happy Valley Campus** 17241 SE Hemrich Rd, Damascus, OR 97089
The auditorium and Community Room are the most commonly used spaces for wedding ceremonies. The Community Room is best suited for wedding ceremonies expecting less than 100 guests. The auditorium is more appropriate when expecting over 100 guests. It can seat up to 650 guests for a ceremony only wedding. If you choose to hold your reception in the auditorium, it can

accommodate up to 275 guests for a ceremony and a sit down reception and requires a “room flip” in between. The wedding party is required to provide 12 people to help flip the room for an auditorium reception and help reset the chairs in the auditorium after the reception for weekend services. Receptions may also be held in the lobby.

- **Sandy Campus** 16633 Champion Way, Sandy, OR 97055

The auditorium seats up to 200 guests for a ceremony. Receptions can be held in the lobby or in the auditorium. If you choose to hold your reception in the auditorium, it can accommodate approximately 120 guests for a ceremony and a sit down reception and requires a “room flip” in between. The wedding party is required to provide 12 people to help flip the room for an auditorium reception and help reset the chairs in the auditorium after the reception for weekend services.

- **Vancouver Campus** 13011 NE Fourth Plain Blvd, Ste #105, Vancouver, WA 98682

The auditorium seats up to 150 guests for a ceremony. Receptions can be held in the lobby or in the auditorium. If you choose to hold your reception in the auditorium, it can accommodate approximately 120 guests for a ceremony and a sit down reception and requires a “room flip” in between. The wedding party is required to provide 12 people to help flip the room for an auditorium reception and help reset the chairs in the auditorium after the reception for weekend services.

Weddings are usually scheduled on Friday evenings or Saturdays. In order for the building to be ready for Sunday morning services, Saturday weddings must be completed, cleaned up, and the building vacated no later than 10:00 pm.

Your rehearsal will be arranged around other building uses already scheduled during the week of your wedding. The day before or morning of your wedding, you will be given a four hour time slot to set-up and decorate. Access to rooms for set-up and decorating will be scheduled around current building use activities.
