**Jonah 1**  
**Matthew 12**

God wanted the Ninevites to repent, but Jonah wanted them to perish. Think about characteristics, views, professions, or actions that bother you. What kinds of people do you have a hard time loving or praying for?

Has God ever answered your prayers in an unexpected or even unwanted way?

Are you waiting for a sign from God? What steps could you take to be content and step forward in faith?

What in your life seems pixelated? How might you look to recognize God in those pixelated areas?
